Rep. DelGobbo Supports Financing for Statewide Facility Improvements

State Rep. Kevin M. DelGobbo, R-70th, Naugatuck, voted for the state's \$1.2-billion bond authorization bill, including construction aid for local school construction projects, transportation improvements and a variety of other projects.

"The legislation, covering the fiscal year that starts on July 1, includes a number of initiatives that I had promoted and fought for," said Rep. DelGobbo. "Overall, this package is substantially less than in recent years, and it has been trimmed by \$100 million from earlier recommendations."

Rep. DelGobbo said some of the highlights of the bond package include:

- \$10.8 million to construct a new health care facility for veterans in the state
- \$1.5 million to be awarded on a competitive basis for municipal open space acquisition
- \$10 million to construct improvements to the state's fire training schools
- \$2 million for the Naugatuck Valley Community College
- \$86.7 million for facility improvements in the state university system.

State Rep. DelGobbo serves the 70th Assembly District of Naugatuck in the state House of Representatives. He is a member of the legislature's Finance, Revenue and Bonding Committee, as well as its bonding subcommittee.
